EXTRAORDINARY

PART I—Section 1

PUBLISHED BY AUTHORITY

No. 118] NEW DELHI, TUESDAY, SEPTEMBER 6, 1955

MINISTRY OF COMMERCE AND INDUSTRY

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 6th September 1955

SUBJECT—*Import policy for wire healds—S.No. 5(b)/III.*

No. 52-ITC(PN)/55.—Attention of the importers is invited to the remarks (i) and (ii) against Serial No. 5(b)/III in current Red Book.

2. It would appear from these remarks that both Established Importers and Actual Users licences are valid for flat steel healds only; but the intention is to place the restriction on Actual Users licences. The Established Importers quota being a token one, it is not proposed to restrict quota licences to flat steel healds only. The following may, therefore, be substituted for the existing remarks:—

“Actual Users—Licences will be valid for flat steel healds only”.

3. This amendment may be deemed to have effect from the 1st July 1955.

J. BYRNE,

Chief Controller of Imports and Exports.

(1003)
